

First New York Federal Credit Union

Security Alert

Date: **Thursday, January 26, 2012**

Security Notice: **Phishing Email Attempt**

Please be aware! First New York Federal Credit Union is alerting members of a recent phishing email in which the recipients were told there was potential fraudulent activity on their account.

While we do monitor your Visa card transactions for potentially fraudulent activity, *we do not send alerts via email* and we caution you not to respond to these email attempts to gather personal information.

Even though it may look legitimate, linking to such sites can put you at risk and may collect personal data or put spyware on your computer.

Remember: You can check your Visa card transactions online through First OnLine anytime, or call First New York at 393-1326, then press “2” to speak with a Member Service Specialist.

Thank you for your cooperation in this matter.

Where you come first.
